

VALOR Portal

Easily access transaction data and customer information 24x7 with our online portal. Empower merchants to stay informed about their business, make confident decisions, and expand their customer base with built-in marketing campaigns on an all-in-one platform.

Unlock the Valor Portal: Access New Benefits!

Perform sale, void, refund, and tip adjustment

Perform sales, refunds, recurring payments, or tip adjustments anytime and anywhere while providing your customers with enhanced security features through our data-guarding tokens in the Virtual Terminal. The Vault feature available in the portal adds an extra layer of security by safeguarding customer card data. Your peace of mind is our top priority.

Security Expertise & Comprehensive Reports

Bolster your security with our chargeback mitigation and support services. Merchants benefit from a variety of pricing and discount choices coupled with the added advantage of L2 and L3 benefits to further fortify your financial security. All of this is accomplished while maintaining transparency through comprehensive transaction history and detailed reports.

Built-in Marketing Campaigns

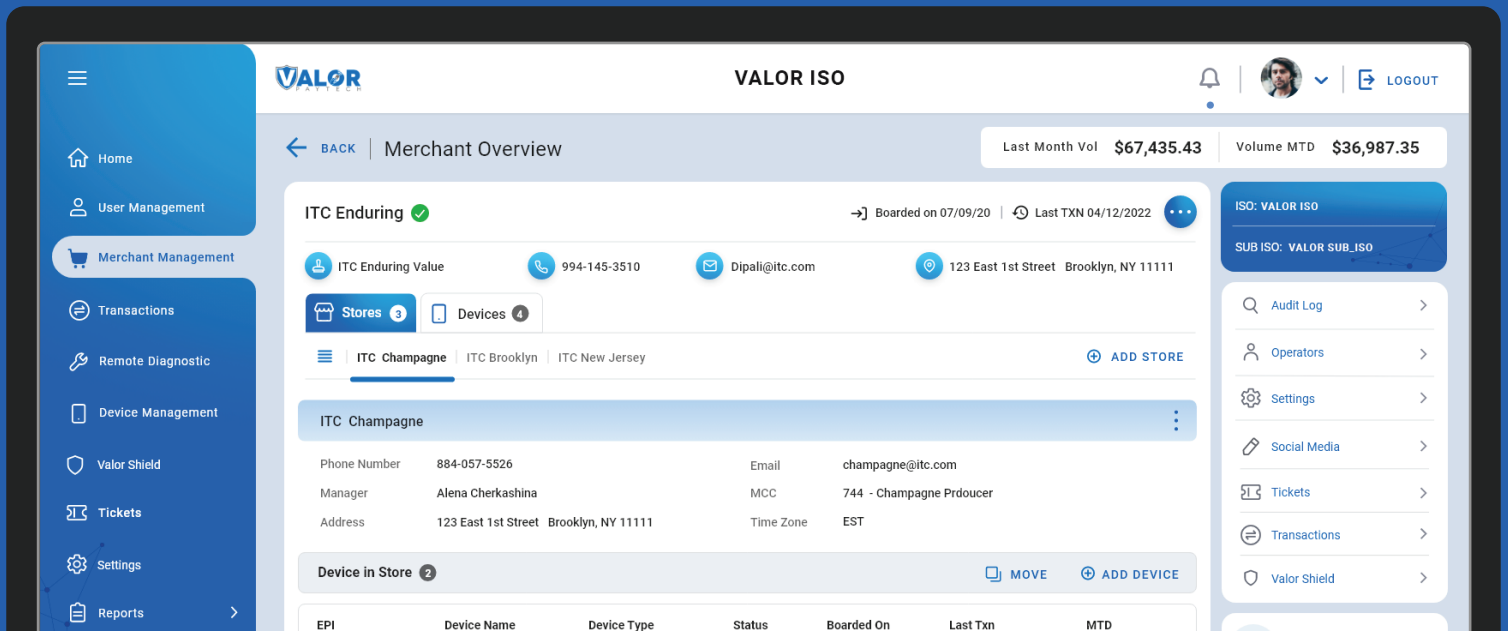

Increase customer loyalty with Valor's exclusive feature, Engage My Customer™. From the portal create and send personalized SMS and email campaigns, enhancing brand awareness. There is also an integrated feedback rating system available for insights to refine services and improve customer satisfaction.

Real-Time Risk Monitoring

Effortlessly monitor and access transaction data through our dashboard, seamlessly integrated payment processes, and transaction modules with e-commerce platforms, enhancing the overall customer experience. Experience the All-in-One Solution for Seamless E-Commerce Transactions.
